Where we ship

We currently ship within Australia only, using Australia Post. We do not ship overseas.

Made to order

Every piece is hand made after you order. The time we need before dispatch is shown on each product page. At the time of writing it is about 1 week for most items and about 3 weeks for the EDC (Every Day Carry) Tray and the Office Bundle. These are estimates, not guarantees, and busy periods can add time. Delivery time after dispatch depends on Australia Post.

Postage charges

Postage is calculated at checkout in Australian dollars, based on one parcel per order and the largest item in your cart:

Parcel size	Postage	Items

Large	\$25.40	Market Tote Bag, Leather Desk Pad
